The Week's News

AT HOME AND ABROAD.

—Mercier is dying.

—Remember the Agricultural Fair on Wednesday next.

—Mr. D. MacGillivray, barrister, Indian Head, was in town on Monday.

—Mr. McCracken, C.P.R. agent at Broadview, was in town on Sunday last.

—Mr. Laurier will address a public meeting at Indian Head on Saturday.

—Mr. R. Johnston is shipping two more car loads of fat cattle to Winnipeg.

—Miss Wyatt, of Canington, Ont., is visiting her cousin, Mrs. G. R. Skinner.

—David, M.P., complains of bad treatment by the Dominion Government press.

—The towns of Leno and Lowther, Iowa, are reported wiped out by a cyclone.

—Lord and Lady Aberdeen and party should have arrived in Winnipeg last night.

—Dr. Carthew is adding to the good appearance of his store by giving it a coat of paint.

—McCulloch did a half mile, flying start, at Lethbridge in 1:02 2-5 and a quarter in 27 2-5.

—Mr. C. Kerr, son of Mr. J. A. Kerr, Regina, has been a guest at the Queen's since Friday last.

—Mr. Robert Kelly, son of Mr. Kelly, M.L.A., Regina, is visiting his aunt, Mrs. J. P. Creamer.

—Mrs. A. C. Patterson and her sister, Miss Irving, returned home to North Portal on Sunday morning.

—A number of train loads of cattle have passed through during the last few days from the western ranches.

—Sir John Lester Kay has sent for his late North-Western agent, to discuss the Hudson's Bay Railway project.

—The Pope says a solution of the church and state question in Italy is impossible without restoration of his temporal power.

—According to the Free Press, Lord Brassey has changed his mind, and, accompanied by Lady Brassey, intends visiting the North-West.

—The C.P.R. telegraph transmitted a message to Manchester, Eng., from Victoria, B.C., and received a reply in ninety seconds.

—Henry Lawson, a member of the British House of Commons, is visiting Manitoba, seeking information for the benefit of old country emigrants.

—Lethbridge coal is now to be had at \$6.35 per ton from the car, and \$6.60 from the shed. Mr. J. H. MacCaul handles the fuel at this point.

—A service will be held at 8 o'clock this evening, in McLean's Hall, at which Rev. Matthew Gold, Acting Superintendent of Baptist Missions, will deliver an address.

—The Rev. Mr. Welch, of Indian Head, conducted service very acceptably both morning and evening on Sunday last in the Presbyterian Church. Sacrament was administered at morning service.

—Mrs. W. M. Barbour, of Moosemin, will be at the Leland House on October 1st with a fine display of fall and winter millinery, and invites the ladies to call and see the goods, which will be sold at very low prices.

—It requires quite a stretch of imagination to believe that one of our professional gentlemen killed a blackbird with an ordinary sporting gun at a distance of one hundred and thirty yards. Nevertheless we are assured such is a fact.

—We are pleased to be able to state that Alphonse Longpre, the boy who met with a serious gun accident at Horse Shoe Lake, and is now lying at the Mission, is progressing as favorably as can be expected considering the nature of his injuries.

—Thomas Redmond, Farm Instructor at the Industrial School, Fort Qu'Appelle Mission, was kicked in the face by a horse. The jaw bone is broken and several teeth knocked out. He was knocked insensible by the kick. He is doing as well as can be expected.

—The police have been searching for Tom Lammack, the man who is wanted to account for the death of the Indian who was found near File Hills reserve, but the latest reports are that he has not yet been captured. The agent of the reserve conveyed the news to Fort Qu'Appelle that Lammack had been seen near the reserve on Monday, and the police returned to renew the search.

—Owing to Rev. J. McAllister's appointment by the Presbytery to Indian Head and Qu'Appelle, the services at the country stations will cease after Sunday next.

—While congratulating Miss Katie Molloy on her promotion to the general office of the C.P.R. telegraph system at Winnipeg, we cannot but regret the removal from our midst of one who, by her goodness of heart, and genial and winning ways, made herself hosts of friends both in her business and private capacity. Our good wishes accompany her to her new home, and although not wishing her to make any retrograde movement in her calling, we cannot but wish for her speedy return.

INDIAN HEAD.

Manager W. B. Sheppard left on Sunday for Winnipeg to meet Lord Brassey, who is in the city, and is expected here Saturday.

The townspeople presented a petition to the Council to have the provisions of the Herd Law suspended until April 1st. The Council rejected it.

Lethbridge coal will sell this season for \$6.35 on car, and \$6.60 at shed. Geo. Thompson has been appointed the company's agent at this point.

Major Bell, member of the Grain Grading Board, attended a meeting of that body in Winnipeg last week. All grades of wheat, barley and oats were left the same as last year.

The concert in aid of the Public Library fund has been postponed until next Tuesday evening, Oct. 2nd. Don't forget the date. Admission 25c. A capital programme will be forthcoming.

The following items were received too late for insertion last week.

While returning home from town on Thursday evening, Mr. George Cook met with a painful accident. The wheel of his wagon went into a badger hole and threw him to the ground, and the wagon ran over his shoulder and inflicted a nasty wound on the back of his head.

J. Vieu met with a mishap one night this week while freighting to the Indian Mission. His team shied at a dog while crossing a dam north of the town, and caused his wagon to go over on top of him in a way that he could not move, and had to remain until rescued in the morning. No bones were broken.

An enthusiastic baseball player of the Indian Head baseball nine contributes the following particulars of the tournament held on the 15th inst.

On account of cold windy weather, it was feared the boys would have a disagreeable day for their tournament, but the morning of the 15th dawned beautifully clear, though chilly. At nine o'clock four teams were in town ready for action. The draw resulted in Indian Head's first nine being against Wolsley, and the second nine against Sinituluta. The game between the first nine and Wolsley was one of the best and most keenly contested games ever played in this part of the country. The Wolsley team led by from three to five runs all the way to the sixth innings, when the home team tied them at the end of the sixth innings. The next innings the home team scored three runs. They then took the field and white washed their opponents, giving them the victory by three runs. The score was 11-14 in favor of Indian Head. The pitching of Mr. Ellis and Mr. Parkin was really good, both men keeping their position in the box all through the game. The Wolsley team is one which was very much respected in our town, during their short stay, for their gentlemanly conduct and good nature, not a kick being made all through the game, and the boys hope it will not be long they meet on a diamond again. Mr. Mitchell, of Sinituluta, did some very fine umpiring in this game, his ruling being highly satisfactory. While the first nine and Wolsley were playing, the second nine and Sinituluta were hard at work on another diamond not far from the old grounds. The second nine led till the sixth innings, when the Sinituluta boys ran up a score of nine runs on them, but the boys were not discouraged, and tried hard to pull up again. They went to the field, and some of the best work done in that line for some time was done by Mr. Geo. Harvey, their left hand pitcher, by striking out three men with nine balls. They then went to bat, and scored four runs, but failed to make the remaining five. The score was 20-25 in favor of Sinituluta. The second nine deserve much credit for the way they handled such an old team as Sinituluta, they themselves being nearly all young players, and if they keep on they will soon be called the First instead of the Second nine. Mr. Phillips umpired the game, and did some good work. He has won for himself the reputation of a first class umpire. The final game was played off after dinner, between the Indian Head first nine and the Sinituluta team. It was thought after the first innings that the home team would have no

trouble winning the first prize, but during the second innings the pitcher, Mr. Frank Parkin, hurt his arm and was unable to pitch. All the boys seemed to get careless and discouraged, and the Sinituluta boys batted the balls all over without mercy. When it was found that their pitcher was disabled the boys threw up the sponge, so the visitors carried off the first money, \$25, while the home team was contented with second, \$15. Altogether a very good day was spent, everybody enjoying themselves. The boys will have a tournament during the coming season, and hope to have at least seven or eight clubs present. They found it a little expensive, as some of the leading men of our town failed to put up what they promised, although they themselves reaped a good harvest during the day and evening. After paying all expenses, a small balance is left in the treasury, through the excellent work of the committee.

Cash is scarce. Crops light. A bad year to start business. Yes! I have heard it all scores of times; but some old timer has said that "Opposition is the life of trade," and I am having a try at it. At all events, opposition will not make lumber any more expensive, and I have fixed my prices to suit the hard times and secure my share of the business.

THE CORNER STONE OF ST. PAUL'S CHURCH, REGINA.

MAID WITH MASONIC HONORS BY GRAND MASTER THOMAS TWEED.

On Tuesday, the 13th inst., a special communication of the Grand Lodge of Manitoba A.F. and A.M. was held at Regina for the purpose of laying with Masonic honors the corner stone of the new St. Paul's Church. Most Worshipful Brother Thomas Tweed, of Medicine Hat, Grand Master, presided, the officers of Grand Lodge being D.G.M., R.W. Bro. J. A. Kerr; S.W., R.W. Bro. J. H. Benson; G.J.W., W. Bro. W. Henderson; G. Sec., M.W. Bro. D. J. Goggin; G. Chap., W. Bro. J. N. McDonald; Deacons: Bros. McKeen and Horni. Stewards: Bros. R. Lowe and F. Bell. Some seventy members of the craft from Regina, Moose Jaw and Qu'Appelle were present, and took part in the ceremony. The brethren assembled in the lodge room of Wascana lodge at 3:30 p.m., and, headed by the band of the N.W.M.P. in command of Sergeant Walker, marched to the site of the new church, where a large crowd had assembled to witness the imposing ceremony. Bishop Burn commenced proceedings by holding a short service, and explaining the object of the meeting, also thanking the Grand Lodge for having accepted the invitation of the Wardens and Vestry of St. Paul's parish to lay the corner stone of their new church. The Grand Master was presented by Mr. J. W. Jowett, on behalf of the congregation, with a handsome silver trowel, suitably engraved. The Grand Master suitably acknowledged the gift, saying that the trowel is an instrument made use of by operative masons to spread the cement which binds several parts of a building into one mass, but the Free and Accepted or Speculative Masons make use of it for the more noble and glorious purpose of spreading the cement of brotherly love, uniting them into one common brotherhood, among whom no contention should arise, but that noble emulation as to who best can work for the common good. The Grand Chaplain then offered up a prayer, after which the Grand Treasurer deposited several documents in the cavity under the stone. After the singing by the choir of the hymn, "The Church's One Foundation," the stone was let down into its place by three regular steps, and the Grand Master having properly tested the stone said: "This corner stone has been tested by proper implements of masonry. I find that the craftsmen have skillfully and faithfully performed their duty, and I declare the stone to be well formed, true and trusty, and correctly laid according to the rules of our ancient craft. Let the elements of consecration be now presented," which was accordingly done by the D.G.M. and the Grand Senior and Junior Wardens. The Grand Master then invoked the blessing of the all-bounteous Author of Nature upon the undertaking; that the workmen might be protected from accident; the structure long spared from decay and ruin, and that to all men might be granted an abundant supply of the corn of nourishment, the wine of refreshment and the oil of joy. He then struck the stone three times with the gavel; the Masonic grand honors were given and the stone was declared well and truly laid. M.W. Bro. D. J. Goggin then briefly addressed the brethren and spectators on the nature and work of Masonry in his well known fluent manner. The ceremony was concluded with the benediction by the Lord Bishop of Qu'Appelle, after which the procession reformed and marched back to the hall in the same order.

RIFLE MEETING AT INDIAN HEAD.

The annual matches of the Provincial Rifle Association, held at Indian Head on Thursday and Friday, the 20th and 21st, will rank among the successful meetings of the Association. Fewer competitors met than were expected, nevertheless the shooting was excellent, probably the best ever done in the Territories. Considering the Snider rifle was used, the scores compare favorably with others made further east where the Martini-Henri has been placed in the hands of competitors. In the association team matches the shooting was particularly good. Winning two years in succession, Major Bell becomes the owner of the trophy presented by Ex-President Mowat. Appended are the results of the various events.

BAZAAR.

The ladies of St. Peter's Women's Guild held a most successful bazaar on Friday, Sept. 21st, being the day settled for the annual picnic of the C.P.R. employees. Had the day been fine the bazaar would have been held on the Municipal Grounds, where a picturesque booth had been erected, but as it was a cold and damp day the bazaar was held in Mr. Cowan's warehouse, which he most kindly lent for the occasion. There were three stalls held. The woolen and fancy stall presided over by Mrs. Burn and Mrs. Cameron, with assistants; the refreshment stall presided over by Mrs. Talbot and Mrs. Gibson, also with their respective assistants; the candy stall held by Miss Jewell, and the grab barrel held by Lily Talbot and Eliza Booth. The canvassers for refreshments were Mrs. Sargent, Mrs. Creamer and Mrs. Sheppard. The ladies realized about \$130 from their day's work, which goes towards the paragon fund.

—Hon. Mr. Foster is in very poor health.

CANADIAN MUTUAL LOAN AND INVESTMENT CO.

After being only four years in existence, having been organized in 1890, the Canadian Mutual Loan and Investment Company, whose head quarters are in the city of Toronto, has submitted to the public its annual statement for the year ended 31st July last. Taking the figures given in the statement, the operations of the company during the fourth year of its existence have been attended with a success which is surprising, and more especially so when we take into consideration the wave of depression which passed over the country during that year. The company's assets, which amount to \$494,237, were increased during the year by the comparatively large sum of \$194,000. The profits earned during the year reached the sum of \$56,121, compared with \$34,407 for the third year of its operations, \$16,134 for the second year and \$2,122 for the first year. During the past year loans were made to the amount of \$199,557 and loans were repaid to the amount of \$19,548. The mortgages now in force aggregate \$441,797 made to 177 members, or an average of \$600 each. Out of the profits accrued a dividend at the rate of 12 per cent. per annum upon the amount paid into the loan fund has been apportioned to the instalment shares and dividends at the rate of 11 per cent. per annum upon the amounts paid into the loan fund have been apportioned to the prepaid and prepaid interest-bearing stock. The financial statements are full, bear the certificate of the auditors and will give a good insight into the company's methods of operation and their results. It is worthy of note that the loans equal about 42 per cent. of the valuation of the security, the shares of the borrowers being at the same time assigned to the company as collateral. It would thus appear that the plans of operation adopted by this company, which differ from those of other companies, are being better understood and appreciated and as years increase and the stock of the company becomes more valuable that, with continued careful and prudent management, the company will occupy a position among our loan companies which will be creditable to its methods and its system of operation.
